

THESIS PROFORMA

Patient Name:

Date:

Age:

OP.no:

Gender:

CLINICAL PARAMETERS:

PROBING POCKET DEPTH:

CLINICAL ATTACHMENT LOSS:

A 3x15 grid of squares. Each square is divided into four triangles by two diagonals: one from the top-left corner to the bottom-right corner, and another from the bottom-left corner to the top-right corner. This creates a repeating pattern of triangles across the entire grid.

GINGIVAL RECESSIION:

[illegible]

PLAQUE INDEX (SILNESS & LOE):

[illegible]

GINGIVAL INDEX (LOE & SILNESS):

[illegible]

VISUAL ANALOUGE SCALE:

0	1	2	3	4	5	6	7	8	9	10
										
No pain	Mild, annoying pain	Nagging, uncomfortable, troublesome pain	Distressing, miserable pain	Intense, dreadful, horrible pain	Worst possible, unbearable, excruciating pain					

EARLY WOUND HEALING INDEX:

GROUP A	GROUP B
